FINTECH ALLIANCE.PH INC Membership Benefits

Fintech Alliance.ph is a collaboration amongst strategic players in the digital finance space operating in the Philippines to articulate its aspirations as an emerging industry, to further stimulate innovation in order to better promote inclusive growth, whilst creating an environment for interoperability to empower every Filipino. To know more about the Alliance, please visit our website <u>www.fintechalliance.ph</u>

4 Pillars of the Alliance in terms of Benefits in becoming a Member:

1. <u>Networking & Peer Community</u>: Fintech Alliance Membership has a Whatsapp group whereby you will be introduced as a NEW MEMBER once you have confirmed your membership by settling the One Time Membership Application Fee. Thru this, your primary and alternate representatives will be meeting the rest of the Alliance members in the Whatsapp environment. Not to mention that this will be one of the platforms for the Alliance announcements and invitations from various regulators, partners, and other member companies such as exclusive events and information campaign.

2. <u>Recognition & Reputation</u>: Fintech Alliance is a collaboration of the leading fintech players in the country. As the leading fintech organization, our valuable insights and relevant commentaries are being exponentially acknowledged, more often requested, thoroughly considered and elaborately incorporated in various fintech-related studies, proposals, initiatives, and even government mandates. Boasting to be actively involved in the drafting of certain House Committee Bills, HBN 7452 on Rural Financial Inclusion and Literacy, SBN's 2096 and 1260 on the Proposed Amendment on PDIC Charter, and SBN 1764 on The Use of Digital Payments are only few of the many bill proposals that the Alliance has participated. Bearing an openly collective voice that forms a significant part in the industry, Fintech Alliance.ph culminates to be the thought leaders towards financial inclusion and digital transformation. Suffice it to say, being an Alliance member shall definitely render prestige, trust and reliability for its Members.

3. <u>Leadership Opportunities & Collaboration</u>: Fintech Alliance.ph has been in good and close ties with regulators such as and mainly Bangko Sentral ng Pilipinas, Securities and Exchange Commission, National Privacy Commission, Insurance Commission, Department of Trade and Industry, and some international economy and trade industry groups such UK Chamber of Commerce, Singapore, Japan GCC's, Australia, among others by which we co-partner with trade events and expos. More importantly, our Vision is that by 2022, Fintech Alliance.ph shall be the recognized Self-Regulating Organization to relatively aid monitoring and "disciplining" players in the emerging fintech space.

4. <u>Advocacy & Promotion</u>: One of the marketing means would be a featuring slot across all social media accounts of your products and services whenever possible. Thru our events and partnered events, we extensively promote each others' products and services with the aim of uplifting but at the same time operating in a discipline compliant to our regulators.
